## ADOPT-a-PROJECT MENU

<u>2008 Prices</u>	<u>PROJECT DESCRIPTION</u>
\$12,000.00	<b>Build One Classroom:</b> Have your company or organization's name and your own unique message to Bompehtoke's children engraved on a plaque at the classroom door. <b>6 classrooms needed</b>
\$15,000.00	<b>One (1) New Well:</b> Provide clean, safe drinking water for the school. The water will be pumped to an elevated holding tank where it will be gravity-fed to outdoor faucets so that the children can have clean water for drinking and washing their hands as they learn about sanitation and personal hygiene. <b>Eight (8) Latrines:</b> Ensure a clean environment while teaching about personal hygiene and sanitation.
\$2,000.00	<b>Furniture for One (1) Classroom:</b> Purchase materials to build wooden tables, benches, desks, chairs, and shelves for six (6) classrooms.
\$15,000.00	<b>School Library:</b> This will be the very first library in Bompehtoke. Have your company or organization's name and your own message to the children engraved at the library door.
\$5,000.00	<b>Book Corner for Each Classroom:</b> Six (6) classrooms – one each needed. Donations will provide an enclosed book closet and classroom textbooks.
\$25,000.00	<b>4x4 Utility Vehicle:</b> Facilitate travel and transport supplies among the six villages and between Freetown and the villages.
\$10,000.00	<b>Generators:</b> Four (4) – to provide electricity in the school and community center.
\$7,500.00	<b>Computers:</b> Fifteen (15) – for use in classrooms, offices, and community center.
Your Choice in Any Amount	<b>Donate Frequent Flyer Miles</b>
	<b>Unrestricted Funds:</b> The Magic Penny will use these funds for the most strategic needs in the school building process.
